

University of Warsaw
Faculty of Psychology

that's your index number

<First name Surname>

Student's book no.: <student's book no.>

<The title of the degree thesis>

without full stop at the end

long cycle degree thesis

field of study: psychology

The thesis written under the supervision of

<title/degree First name Surname>

<name of the supervisor's unit >

for example 'Department of Social Psychology'; ask your tutor to give you the name of their unit. if your tutor is not from UW, just delete this line

Warsaw, <month year>

on the title page, there can't be any page number, even though the page counts. So the number '1' should not be visible. If you don't know how to hide the number professionally, just make this "1" white
