

Where to find a schedule of the classes and room numbers?

You need to log in to your usosweb account <https://usosweb.uw.edu.pl/> using your CAS credentials. In MY USOSWEB section you will find a schedule of your classes with room numbers in individual weeks.

The screenshot shows the University of Warsaw USOSWEB portal. The top navigation bar includes 'NEWS', 'DIRECTORY', 'MY USOSWEB' (highlighted with a red arrow), 'STUDENT'S SECTION', 'STAFF SECTION', 'COMMON SECTION', 'GRADUATES SECTION', and 'ADMIN'. The left sidebar lists 'MY SHORTCUTS' such as 'SCHEDULE', 'CLASS GROUPS', 'CUSTOM SCHEDULES', 'USOSMAIL', 'STATEMENTS', 'PRIVACY PREFERENCES', and 'USOSWEB PREFERENCES'. The main content area features several widgets: 'Schedule - current week' (with a calendar grid), 'Schedule - next week' (with a calendar grid), 'Quick grade' (with a search box and 'continue' button), 'Teacher's tests' (with a 'more...' button), 'Teacher's classes' (with a 'Previous classes' button), 'Directory' (with links for 'People directory', 'Course directory', 'Faculties directory', and 'Studies directory'), and 'Schedules' (with search boxes for 'Staff member's schedule' and 'Course schedule').
